## NURSERY FEES

Ros and I have been running Park Avenue Nursery School for over a quarter of a century. Our aim has always been to provide quality childcare and education for all our nursery children whatever their needs.

We invested in a highly qualified and experienced new management team in 2018 whilst retaining skilled staff who have developed with us over many years. We believe that we have the right mix now to enhance our professionalism and to develop the nursery in new and exciting ways and look forward to welcoming you to our nursery very soon.
